Description

The CableCarrier is a sturdy woven strap attached to a lightweight metal carabiner with a spring release mechanism. Easily hold wires, cords or ropes in place. Attach it to a belt for hands-free carrying or use it as a hanger during cable runs.

product code	product size	maximum bundle size
J-B6-C	1" x 6"	1.5"
J-B9-C	1" x 9"	2.5"

find the size that's right for you

1. First determine the diameter of your maximum cable bundle size
2. The maximum cable bundle size will define the length of your CableCarrier
3. Find the appropriate product code on the chart above

NOTICE: This product is not for use only for wrapping cable bundles. See directions for proper use. Do not use as a safety strap or in load carrying applications.
