

WSS-4625

Designed to slit and shave the webbing off messengered COAX cables, the Jonard Tools WSS-4625 Web Slitter and Shaver is the perfect tool for working with messengered cables ranging from 0.400"-0.625" in diameter. This web slitter and shaver also features the following:

- Ultra-sharp steel slitting blade slits even the thickest webbing with ease
- Adjustment knob for the shaver tightens down cables for close shaving
- Locking mechanism provides increased leverage to easily penetrate thick webbing
- Shaving blade removes excess webbing to provide smooth surface for cable termination
